## Carstairs Out of League

At a meeting of the executive committee of the Rosebud Baseball League held at Crossfield on Saturday night, the 30th inst., the Carstairs baseball club was unanimously expelled from the league for intentional violation of the rules in playing. John and Leslie Conn of Ayer, 31, through the necessity for this drastic measure is much to be regretted, it was the only solution to the problem as Carstairs said they did not intend to allow anybody to dictate to them what players they should use. The Crossfield and Didsbury protests of the games of June 29 and July 2 respectively were allowed.

As a result of the above action and to give the Ayer team, who are the best of good sports, a chance, a new schedule was drawn up whereby a post season series of four and home games is to be played for the championship of the league. Each club thus has an even chance for the pennant and some excellent games are certain. We hope our Didsbury boys are carrying their homeboys.

The schedule is as follows:  
Airdrie at Didsbury July 16  
Crossfield at Didsbury July 30.

Didsbury at Crossfield July 21  
Didsbury at Airdrie July 24  
Crossfield at Airdrie July 26  
Airdrie at Crossfield Aug. 3

The Didsbury club trusts that the fans of Didsbury will appreciate the difficulties often resulted in the expelling of the Carstairs club and approve the action of the league.

The Didsbury club was leading the league at the end of the first schedule.

## Premier Borden Resigns

With the prorogation of the Dominion House of Commons last week a caucus of the government supporters was immediately held when Premier Borden definitely announced his retirement of the leadership.

With the retirement of Sir Robert the choice of a new name for the government party was discussed. There were many names suggested but the one finally adopted was "The National Party," suggested by Hon. J. A. Cahill.

No successor to Sir Robert Borden has been named as yet, but Meighan and White seem to be favorites at Ottawa.

## Cox Democratic Candidate for President

The his Democratic convention just held in San Francisco chose Gov. Cox of Ohio, their standard bearer, for the presidency in the coming election.

The convention took 44 ballots before deciding on its choice, which was not completed until late Monday night.

The wage of idleness is demerit. There must be output before there can be income.

There is no higher rank than that of worker.

The best reward is sense of worthy achievement.

Great things for all can only be the product of great work by all. The highest form of citizenship is making fair service.

## Agriculture

It is imperative that every agriculturist form a sound association with a progressive banking institution. This Bank is stimulating production by providing a bank service for ambitious farmers. Any of our 400 branches can furnish reliable information as to markets and shipping facilities.

Resources exceed \$174,000,000.

## LETTER OF THANKS FOR SPRINGSIDE S. D.

Calgary, July 5, 1929.

Editor The Pioneer:

I would ask that through the medium of your paper you thank Spring Side school on behalf of this Association for their kindness in recruiting a donation of \$30 towards our new club building in Calgary. It is very nice indeed to know that the Association is appreciated by this extent by the people of that district and I can assure you that their kindness is appreciated. It is expected that we will soon be in a position to at least start the building, and even should it never be finished, we shall at least be grateful to the friends who did what they could to help us in the right direction. Trusting that you will carry out this request and give this kindness the desired publicity. I am,  
Yours faithfully,

S. G. FLETCHER, Secy.  
PIANO TUNING

1621 Tenth Street West.
